Making a home surrounded by flower gardens and cozy soft colors is what brings me such joy. No matter where you might live, being able to bring some that softness into our daily lives is a way of taking a deep breath, of welcoming tranquility and comfort.

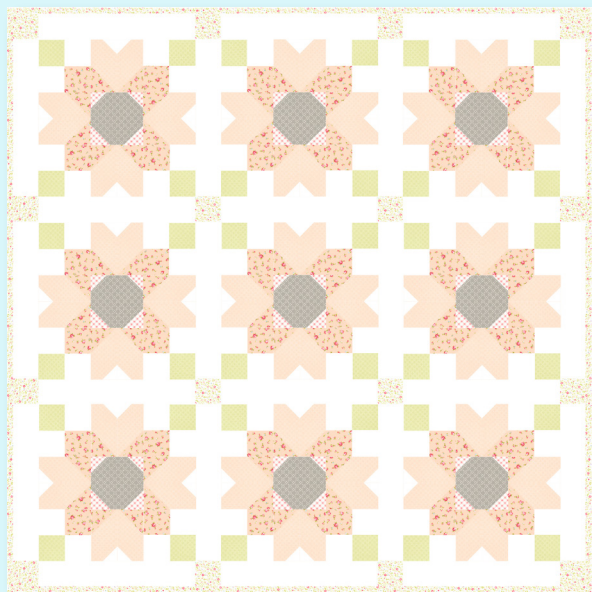

With a fresh color palette that you can mix for seasonal quilts & projects, or including all the color families for a scrappy garden of colors, 'Ellie' envelops these airy, fresh, cozy feels for your home, and to share with those you love. Take a deep breath & welcome Ellie into your home!
